PROFILE
2019

WHO We Are

A multinational organization with a Global Commodity Trade house and was incorporated in the United Arab Emirates as an International office for our operations in Sudan, Africa in general.

Since then we have expanded our interest to Middle East Regions, West Africa, India, China, Italy and Far Eastern Europe as a Private Consultancy specializing in the fields of "Import & Export "and "Agro-Products". We are not only an intermediary where the Buyer and Seller have to be in direct contact but under several occasions we also act as Third Party, a Consultants and/or Agents where we get involved on Private Sector Projects and do the tendering in-house. It goes without saying that in such instances Candelabra would also become involved financially where we receive the Financial Instruments from the Buyer and forward the same to the Seller.

What We Do

All dealings, shipments, services rendered by "Candelabra General Trading LLC" are assured to be of the highest level of integrity and the quality of services are in line to our client's requirements and specifications. We manage export for our principles, we take complete responsibility from marketing, taking orders, export packing, shipping, and export documentation and after sales customer support.

“Our activities are mainly focused on purchasing directly from the farmers, cleaning, packing, storing and then delivery.”
